Believing in Christ is accepting that he is our Lord and our Saviour - that he is the way, the truth and the life (John 14:6). It is important to believe in Christ because there are so many pressures surrounding us and the scripture will help us find greater faith and confidence in continuing to believe in Jesus. So we can choose him every time.

In John 20:30, it said Jesus performed many miracles and signs. Some of them are:

- Jesus turned water into wine (John 2:1-11)
- Jesus heals an official’s son (John 4:43-54)
- Jesus heals an invalid man at the pool (John 5:1-15)
- Jesus feeds the five thousand (John 6:1-15)
- Jesus heals a man born blind (John 9:1-12)
- Jesus wakes Lazarus from death (John 11:1-43)

These miracles were written down so we may believe that Jesus is the Messiah, the Son of God and that we may have life in his name (John 20:30-31).

Jesus gives us life but the way to life is not easy at all. We are faced with challenges and troubles every day but Christ wants us to choose life so that we and the generations after us will have life (Deuteronomy 30:19). Our choice will determine our future so we have to choose wisely and that is to choose a life that is filled with the Spirit. We should not let worldly things take over our life for it will take us away from Christ. It will take us away from the one who brings life. We should continue to believe in Jesus and continue to choose him because when we accept Jesus as our Lord and Saviour:

- We no longer live in the power of sin
  - We already have the power to say no to sin. We do not live in its power anymore. When we say no to sin, we impose the victory of Christ.

- We have peace.
  - He wipes away our sins. If we keep on choosing him, our names will be written in the Book of Life. We have peace in knowing nothing can take us away from him, no worldly pressures can take over us and no worldly pressures can rule over our life because we know He is our God.

- We are adopted in the family of God.
  - We are sons of God through faith and we are somebody in Christ. So when we accepted Christ as our Lord and Saviour, we become part of God’s family.

So let us continue to believe in him and let us make Jesus famous in the right way.
