NEVER *been*  
*this* WAY  
BEFORE

Ps Imelda | Joshua 3:1-5

**1 Early in the morning Joshua and all the Israelites set out from Shittim and went to the Jordan where they camped before crossing over.**

**2 Three days the officers went out throughout the camp,**

**3 giving orders to the people:**

**“When you see the ark of the covenant of the Lord your God, and the Levitical priests carrying it, you are to move out from your positions and follow it.**

## **Joshua 3:1-5**

**4 Then you will know which way to go, since you have never been this way before. But keep a distance of about two thousand cubits between you and the ark; do not go near it.”**

**5 Joshua told the people,  
“Consecrate yourselves for tomorrow  
the Lord will do amazing things  
among you.”**

# **The Ways of God**

- 1. God never leave His work undone.**
- 2. God always leads His people to a road of faith.**

# What Do We See?

- **Great promised with great obstacles**
- **Their Promised Land is an occupied territory.**
- **Their Promised Land will not come in silver platter. They must work hard for it!**
- **Their Promised Land is a battleground. They must overcome and win it!**

# Lessons

- **God's instruction, God's promise, God's provision**
- **If it's from the Lord, it will prevail. If not, it will crumble and fall with great losses.**
- **God does not necessarily follow the same "formula" all the time.**

**There is a way that  
appears to be right,  
but in the end, it  
leads to death.”**
